RULES & INFORMATION: American System of Judging

UNLIMITED ENTRIES PER EXHIBITOR PER CLASS – see Local Rules (p 5)

- Exhibits in the Floriculture Department, except arrangements, must have been grown by the Exhibitor.
- Exhibitors must have owned potted plants for at least six (6) months and African violets for three (3) months prior to the Fair.
- Horticulture exhibits must have been grown by the Exhibitor at least three (3) months prior to the Fair. There is no time limit on terrariums.
- Plants and arrangements must not be any larger or heavier than Exhibitor can handle.
- There will be a place provided to arrange flowers prior to entering them. Some plant foliage must be left on cut flowers.
- All pots must be clean. Cans are not acceptable as containers. All pots must have drainage saucers.
- All flowering type plants must be in bloom with flowers as nearly perfect as possible.
- One plant per pot is allowed unless otherwise noted.
- No artificial or plastic flowers or foliage permitted, except when specifically stated.
- All entries must be in place and complete by the entry closing time. No entries will be accepted after that time.
- Exhibitors must set up and leave the building within the allotted set up time. This is so Fair Staff can prepare for judging. Only Fair Staff will be allowed in the exhibit building during and after judging.
- Fair Staff may move exhibits after judging to a permanent place for fair-time display. Every effort will be made to set up the display in the same manner it was displayed for judging.
- Exhibitors may not move, touch, handle, or rearrange an entry owned by another Exhibitor.
- Please review your entry form for correctness. Exhibitor is responsible for selecting the proper class to enter.
- All entries must be picked up within the allotted time. It is your responsibility to make arrangements to recover your items.
- It is the Exhibitor's responsibility to read and follow all instructions and guidelines. Any Exhibitor not following these guidelines will be disqualified.
