

## Junior Livestock Department Record Book Instructions

Each exhibitor will need to submit a record book showing proof that they have put in the hours necessary to learn about their project(s) and to prepare their animal for showing at the Mother Lode Fair.

You will need to complete one report for each species shown but can compile all the reports into one complete book to submit.

Submissions will be returned before the Junior Livestock Auction begins so exhibitors can show buyers what they have done with their project animals.

You may expand or add additional pages as necessary to show the amount of work you have put into your project.

Please put your record book into a folder when submitting and include a cover page with your Name, Organization (FFA, 4-H, Grange, Independent) and a picture of yourself.
